JANUARY 2024

THIS IS WHEN THE SERIOUS WORK BEGINS!

Over the next 12 months we will be there for you every step of the way, celebrating with you through the highs, and helping you through the low as you write and finish your very best screenplay.

"I know the pitfalls of writing a screenplay. I've been there! I also happen to know a great deal about looking at a screenplay from the reader's perspective, which is why I'm excited to help two upcoming writers

overcome the same hurdles, share my industry knowledge, and be part of a 12-month journey that will ultimately help them to develop their core ideas into the final drafts that will showcase their talent to the world” **LEE HAMILTON - Shore Scripts Head of Education**

WHAT WILL THE 12 MONTH SCRIPT DEVELOPMENT TIMELINE LOOK LIKE?

Below is what we recommend in terms of the best step by step process of making use of what we offer over the course of 12 months working with our Head of Education.

However, we understand that everyone works differently, so we are happy for you to use what we are offering below (in bold) in whatever order works best for you.

- ⊛ **1-Hour call with our Head of Education, Lee Hamilton. This can either be on Zoom or phone as preferred by both parties.**

We recommend this first call to come shortly after the win in January to discuss those first ten pages or the treatment, and have an in-depth discussion on the story you're looking to tell, and how you can best tell it.

As you work through your screenplay, you can make use of

- ⊛ **Email Correspondence with Lee**

To ask any questions as you progress through your draft.

During your 12 month writing process, we will write 3 coverage reports for you:

- ⊛ **A 6-page coverage report**

⊛ **Two 3-Page coverage reports**

When you use each of these is best discussed with Lee as your script progresses over the course of the year.

Near the end of the process you will have

⊛ **A Final 1-Hour call with our Head of Education.**

Here you will go over every aspect of the script, helping you to make those final polishes.

Remember, you can still make use of **Email Correspondence** with Lee to discuss smaller points as you get closer to finishing your screenplay.

Please note, that we don't set a timeframe of when you can make use of the above. We know everyone works at a different pace. Perhaps you will finish your screenplay in 6 months, or maybe it will take you a full 12. That's absolutely fine with us.

We are here when you need us.

Our only stipulation is that this process must be completed within 12 months, so by the latest 31st December 2024.

WHAT HAPPENS ONCE I'VE FINISHED MY SCREENPLAY?

You celebrate! 😊🍻
